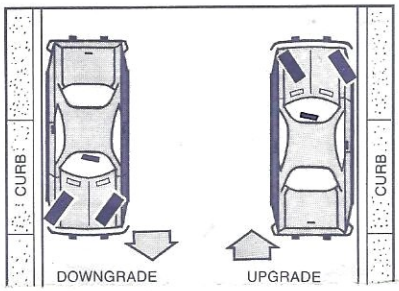
BLOCK WHEELS WHEN PARKING ON GRADE



WHEN PARKING on San Francisco's hilly streets, even on slight grades, cramp the wheels of your car to the curb and set the brake.

A city ordinance makes it unlawful to park any vehicle upon any "grade exceeding 3%" without effectively setting the brakes and blocking the wheels by turning them against the curb or by other means.

Strict enforcement of this distinctive San Francisco traffic regulation prevails throughout the city.

The penalty for violation of this hill parking ordinance
